¹ A fee of \$100 applies for each Plan change. "Plan Type," changes are only permitted at contract renewal, and require a new airtime contract; contact KVH Airtime Services for details.

² For the first 90 days of the initial contract term, subscriber is permitted to move up and down between rate plans *within* their Plan Type at the start of each month period without charge, to allow time for subscriber to determine the plan most appropriate for their usage needs. After 90 days, KVH standard rate plan change policies go into effect.

³ Changing "Plan Type," requires a new airtime contract; contact KVH Airtime Services for details.

Service Suspension Policies

- Suspension is permitted for 1-month increments with NO minimum or maximum limit for Flex Plans only.
- Fees for remote diagnostics and monitoring service, GlobalCare, KVH OneCare™ Technical Assistance Package, VoIP lines, and fax server remain in effect during the suspension period.
- A \$100 fee applies for each rate plan service suspension and for each rate plan service reactivation and each requires the submission of a "Flex Airtime Rate Plan Change & Suspension Form".
- IP-MobileCast is not available with Flex Plans.
